A MESSAGE FROM TONY PULIS

These are incredibly exciting times to be a Stoke City supporter... and yet again your tremendous backing for the Club has been a glowing feature on a wonderful adventure which has taken us to some pretty special places at home and across Europe.

The sight of 34,000 Stokies painting Wembley Stadium red and white is a memory I will never, ever forget. The noise, the colour, the songs; it was all magnificent!

Like true football people, you show your support in many ways and do this Club proud. So I am sure you'll want to take a good look at the range of replica kit and trainingwear making the new Official Merchandise Catalogue essential reading for all fans.

You're spoilt for choice in this latest collection which offers the style and quality we have all come to expect from adidas. It's certainly top notch in my book.

All of the merchandise in this catalogue is available online at scfcdirect.com and stocked in our three Official Club Stores at the Britannia Stadium, the Potteries Shopping Centre in Hanley and the Roebuck Centre in Newcastle-under-Lyme.

Enjoy browsing through this brochure. There's something for everyone and it will give you some cracking ideas for gifts at this time of the year.

Happy shopping.
